

Teri Moorti Ko Dekhaa To Aisaa Lagaa

Teri moorti ko dekhaa to aisaa lagaa...

Jaise karunaa kaa roop, jaise snehal swaroop

Jaise shakti kaa poonj, jaise praarthanaa ki goonj

Jaise bhakto kaa swaas, jaise niraasho ki aas

Jaise kadakti dhoop me, mamtaa ki chaav...

Dekhi saadhutaa ajod, liye jivan me mod

Dekhaa dinataa kaa bhaav, dekhaa saral svabhaav

Dekhaa mohak roop, jaise Shriji ka swaroop

Tum ho nirsodhbuddhi ke maharaajaa...

Sevak sevako kaa, masihaa beheno kaa

Jaise kraanti kaa vir, jaise ramtaa fakir

Akshay tej kaa poonj, teri anokhi hi suj

Kare jatil samasyaa kaa, pal me upaay...

Jaise maitri kaa paigaam, Yogiji kaa bhaktigaan

Sahajanandi chetnaa, har le man ki vednaa

Mahimaa teri apaar, karne chaitnaya kaa vyaapaar

Ayaa anirdesh kaa shaahi, saudaagar...

Tu hai divyaata: ke taale avrodh

Kaif aur masti amaap, akhand dhun aur jaap
Chale pravaah ke virudh, chede mayaa se jang
Dekar khuli tu chunauti shoorviur yodhaa...

Anant gnaan kaa to shrot, bhakto me tu othprot
Anoopam aatmiyataa, sarvadeshityataa
Kartaa prabhu kaa hi kaaj, kar le mere dil pe raaj
He Gunatit samaj ke, betaaj baadshaah...
